MUSEUM OF THE MOON

Museum of the Moon is a touring artwork by UK artist Luke Jerram and will be installed in the Nave of Rochester Cathedral for three weeks from 12 February until 4 March 2020. It is the first time the artwork has been displayed in Kent.

OPENING TIMES

10:00–17:00 Monday – Saturday 12:00–17:00 on Sundays Selected late night openings 18:30–21:00

Entry to the Cathedral during the day is free but there may be a charge for evening openings and events. Please see over for our full programme of **Museum of the Moon** events.

For more information and tickets, please see website.

Group entry available by prior booking only. Charges apply. Please see the website for contact details.
